

# God's Justice and Mercy

**GENESIS 6:9-7:24**

Carol Lance

October 10 & 11, 2018

1. God expects His Children to be righteous and blameless.  
*We don't have to be perfect...but we need to walk faithfully with God.*  
*Philippians 2:14-15; Romans 4:10-12; Hebrews 11:7*
2. God will always punish evil.
3. God will always provide a redeemer. (until the end)  
*But the choice is always ours...will we OBEY Him?*
4. Obedience proves our faith and brings God's restoration.

## Discussion Questions

1. What verses from today's reading impacted you the most? Why?
2. How do you "shine" as God's child in our culture today? Are there other decisions you could make to demonstrate your obedience to God even more?
3. Why do we often make light of our sins? How do we know that God doesn't take any sin lightly?
4. In light of knowing God's judgement is coming and will be absolute, what should we be motivated to do? What could we commit to do differently this week or month if we really believe this?
