Day Two

Our God is a God who heals. The story of Elisha and Naaman is a great example of this. To emphasize how important this event was, Jesus mentioned this incident in Luke.

- How did Jesus show us He is the Lord of Life when He came to earth?

- If you had seen Naaman be healed, or seen Jesus heal some, what would you have said or done?

TRUST God that He will keep His promises.

READ: John 10:10

Day Three

When God healed Naaman, he not only received healing but he received a new and full life through God.

- What do you think a full life with God looks like?

- How can we live a full life with God?

KNOW that God offers us a full life with Him.
