### Day One

The Feast of Harvest, also known as the Feast of Pentecost or Weeks, corresponded with the nation's harvest season. Pentecost, which means "50", was celebrated 50 days after Passover and recognized when God gave Moses the Ten Commandments on Mount Sinai. During this festival, the Israelites celebrated a season of gladness and thanked God for abundantly providing for their physical and spiritual needs—including a way into relationship with Him.

- Why do you think it was important for the Israelites to celebrate the Feast of Harvest?

---

**CELEBRATE** God as your provider.

### Day Two

The Feast of Harvest was a celebration that took place every harvest season, about seven weeks after Passover. All of Israel stopped working, gathered together, and offered sacrifices to God from the first fruits of their produce. It was a time for Israel to remember and celebrate how God had abundantly provided for their spiritual and physical needs. God is our abundant provider.

**THANK** God for being your abundant provider.

## Day Three

Paul encouraged the Philippians to continually remember and celebrate the good things that God has done and the good things He's created. He encouraged them to remember that God the provider had already given them many things over which to celebrate.

- What good things have you seen around you in nature, at home and in the lives of your friends and family?

**PRAISE God for being the creator of all things good.**

## Day Four

Sometimes we like to make our own plan for our life based on what we want to do. In Proverbs, we are reminded that though we may make our own plan it is the Lord's that comes first!

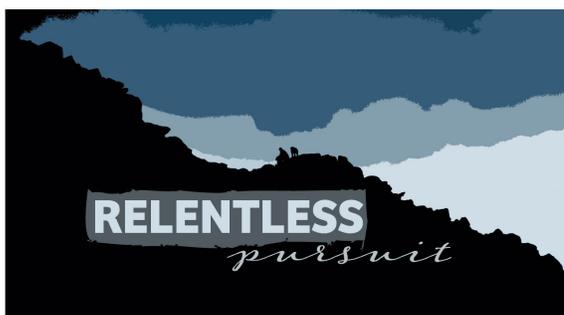

- What is something God has done in your life?

---

**TRUST God to provide for you this week.**
