We would love for you to come try us out. Sewing experience is helpful, but we still teach beginning quilting to any woman who would love to learn how to quilt. You are welcome to work on your own projects or help us make quilts for the ministries we support. You will need to bring a sewing machine in good working order (with scissors, pins, thread, etc.). We have quilting tools for you to try before you purchase your own. We hope to see you soon!
