

ROMANS

Group Discussion Guide for Week of January 13/14

1. Go around the group and share the highlight of your Christmas break with one another.
2. What has been your greatest takeaway from Romans so far in our study?
3. Romans 12 instructs us to love one another and also says, “Rejoice with those who rejoice, weep with those who weep.” As we reflect and begin a new calendar year, let’s share in this.
 - What things are you grieving?
 - What things are you celebrating or rejoicing over?
4. Spend time in prayer for these things and for each other. Ask God to keep changing us as we continue to study Romans.

Homework: Read Romans 1-9 for review. Read and take study notes on Romans 9 in preparation for the teaching lesson and discussion.
