Welcome back from worship:

Intro: climbing trees

Story:

1. Zacchaeus's job was a tax collector
2. Jesus spoke with Zacchaeus
3. Zacchaeus responded to Jesus

Closing:

On that day, Zacchaeus became God's friend forever and God began to use Zacchaeus to tell others about Him. And, you know what my friends? God can use you too! Even though you might be little like Zacchaeus, God still wants you to tell others about Him when you're playing or eating or going places with an adult!

Questions:

- When does God want you to tell others about Him?
- What is one thing you know about God?
- Who is one person you can talk to about God?

Let's say a quick prayer for all the people you just mentioned!!

My friends, you did a great job keeping your listening ears on, but now it's time for a really fun activity!!

See you soon!
