

"Let's Eat!"

Lesson 5—C

John 6:1-14

Then those who were in the boat worshiped him, saying, "Truly you are the Son of God."

Matt 14:33 NIV

Many people came to see Jesus. All day long Jesus taught them about God. He healed many people. Now the people were hungry.

Jesus asked Philip, "Where can we get food for these people?"

Philip said, "Jesus, someone could work all year and not earn enough money to buy food for this many people!"

Andrew said, "Jesus, this little boy has five loaves of bread and two fish. But that is not nearly enough."

The boy gave Jesus his bread and fish. Jesus held it up and thanked God for the food.

Then Jesus began handing out bread and fish. The people ate until they were full.

The disciples filled twelve baskets full of extra food!

The people did not go home hungry.
