Dear Parents,

We are excited that your child was with us today as they took part in an adventure of discovering Jesus. This quarter we will learn how *Jesus Teaches Us*. Your child will be encouraged to apply Biblical truths in practical ways such as: asking you for forgiveness when he or she disobeys, finding joy in doing kind things for others, and desiring to share with others. We encourage you to reinforce our story we learned today and to follow up with the parent connect questions below. Then add this page to their New Testament Storybook. We pray that these seeds of truth will take root and that your child will become a lifelong disciple of Jesus and love Him!

Bible Story:

Martha wanted the house to be extra nice for their special Guest. She was very busy cooking, dusting, and cleaning.

When their special Guest arrived, Mary was very happy! She sat right beside Jesus and eagerly listened to Him.

But Martha was worried! She still had more work to finish.

Finally, Martha complained to Jesus. She was doing all the work. Mary wasn't helping at all.

But Jesus smiled and said, "Mary is doing something more important than you, Martha. Listening to me is much better than cooking, dusting, and cleaning."

That day, Martha learned an important lesson. She discovered that the best thing of all is listening to Jesus.

Parent Connect Time:

1. Have your child retell the story using the picture on the front.
2. Ask your child, what did Martha learn from Jesus?
3. Begin a family devotional time. Learn to listen to Jesus together as a family.
