Dear Parents,

We are excited that your child was with us today as they took part in an adventure of discovering Jesus. This quarter we will learn how *Jesus Teaches Us*. Your child will be encouraged to apply Biblical truths in practical ways such as: asking you for forgiveness when he or she disobeys, finding joy in doing kind things for others, and desiring to share with others. We encourage you to reinforce our story we learned today and to follow up with the parent connect questions below. Then add this page to their New Testament Storybook. We pray that these seeds of truth will take root and that your child will become a lifelong disciple of Jesus and love Him!

Bible Story:

Jesus told a story about a rich man who owned many goats, sheep and cattle. He owned fields of wheat, barley, and grain. And he owned a great big house.

One year, the rich man's crops grew bigger than ever before. He had more barley and wheat than ever before. He had more barley and wheat than his barns could store!

"I'll knock down my barns and build even bigger ones," said the greedy man. "Then I'll have more than ever before. And I'll keep all that food for myself!"

But God had a different plan. That very night, the rich man died.

He had stored up grain and treasures on earth for himself. He forgot to share with others. The rich man did not store up treasures in heaven.

Parent Connect Time:

1. Read the Bible Story above to your child.
2. Ask your child, why does Jesus want us to share what we have with others?
3. Prepare some popcorn and begin to eat it yourself. Explain to your child that you were pretending to be greedy. Talk about sharing with others.
