

"Thank You!" Luke 17:11-19

Bible Truth: Jesus teaches me that people should remember to say "thank you" to

Monthly Memory Verse:

For the Son of Man came to seek and to save what was lost.

Luke 19:10

Dear Parents,

We are excited that your child was with us today as they took part in an adventure of discovering Jesus. This quarter we will learn how *Jesus Teaches Us*. Your child will be encouraged to apply Biblical truths in practical ways such as: asking you for forgiveness when he or she disobeys, finding joy in doing kind things for others, and desiring to share with others. We encourage you to reinforce our story we learned today and to follow up with the parent connect questions below. Then add this page to their New Testament Storybook. We pray that these seeds of truth will take root and that your child will become a lifelong disciple of Jesus and love Him!

Bible Story:

One day, ten men came to Jesus. They were very sick and had to stay away from healthy people. They knew Jesus could help them.

Jesus decided to heal them and He told the ten men. "Go see the priest."

The ten men trusted Jesus. They started toward the town where they could find the priest. And as they walked, they began to feel better! They weren't sick anymore! Jesus had healed them!

One man turned around. He ran back to thank Jesus. He was completely well. No more sores on his legs or sores on his toes or sores on his arms or sores on his nose! He told Jesus how thankful he was!

Parent Connect Time:

1. Have your child retell the story using the picture on the front.
2. Ask your child, what should you remember to say when someone does something for you?
3. Help your child become thankful. Practice saying "thank you" to each other for each kind deed.
